

AFFIDAVIT

I hereby truthfully state the following facts of enemy atrocities which I personally witnessed:

Four soldiers of the 13th Regiment of the 26th Division under the command of Kuroda Jutoku, went to the home of WANG Chung Yuan. Upon their failure to get girls whom they asked for, the Japanese killed WANG by forcing down his throat gasoline mixed with filth.

The above statement contains facts free from falsehood. If the enemy atrocities stated above be eventually brought to trial in a court, I am willing to appear either as an accuser or as a witness and to undergo punishment for any malicious accusation or false testimony.
